

EXT: PARK - DAY

At the park, GHARANDAL and JAWAL are walking along a path toward a park bench.

GHARANDAL

I don't understand you! Why won't you tell me?

JAWAL

There are some things in life that even you don't need to know, Gharandal.

They stop and face each other. JAWAL takes GHARANDAL by the hand.

Jawal

Trust me, Gharandal. And just know that I love you.

GHARANDAL (sobbing)

Oh, Jawal! Please!

They sit down on the bench for some time while GHARANDAL cries.

JAWAL

Okay, okay. But you must promise not to tell anyone!

GHARANDAL leans toward JAWAL and gives him a small kiss.

GHARANDAL

I promise!

JAWAL

It's...

Suddenly, the ground beneath them cracks open and large octopus tentacles reach up out of the ground, grabbing JAWAL and pulling

him down below the surface of the earth. GHARANDAL stands there for a few minutes looking down at the crack in the earth.

GHARANDAL

Sigh. All I wanted to know was his shoe size.
